Thanks Sara. Well I think 12/20 will absolutely not work for us given current conditions. It is basically a one for one for the govt shutdown and the Thanksgiving holiday week.

I will be driving to Ft Collins in the morning but may be able to participate in a conf call if one gets set up.

Here is what Guardians has offered, only until December 20.

Carl, I think I understood you are out on Friday - - if you are available, let us know and we'll call and discuss next steps.

Thanks

Hi Alan,

Guardians is amenable to a short extension on the WY Regional Haze Rule, until December 20. Although we understand staff vacations, this extension should compensate for the 16 days lost to the shutdown.

Thanks,

Ashley
